His physician was immediately sent for, and watched at his bedside for one whole night. never leaving him for a moment, and finally succeeded in enabling him to pass the crisis.

An unsuccessful attempt was recently made at the City Gardens, San Francisco, to take an aerial trip in an "Aviator," or flying-machine. Great pains and not a little expense had been incurred to inflate the model and to demonstrate on a minor scale the practicability of a long voyage in a full-sized balloon.

The contest for the championship of the University Regatta at Springfield resulted in the trimuph, of Yale. There has been much quibbling, however, over the diagonal line by which the race was decided. 'A line drawn as it should have been, at a right angle with the river's course would have given the race to Harvard.

BLOOMFIELD, N. J.,

As a Country Home for Business Men and Others.

BLOOMPIELD is located four miles from the centre of Newark, and twelve miles from New York City, is on Elevated Ground, with as beauti'ul sites for Homes of families as my within a radius of 25 miles of New York. Its location is healthy beyond dispute.

Facilities of Travel

to Newark and to New York are unsurpassed: the Newark & Bloomfield Roud D. L. & W. to New York) with 22 trains daily; the Montclair (to New York direct,) with nearly as many ; the Watchung, nearly completed ; nine depots on the three roads and ture is in the past. so located as to accommodate all parts of the town. A Horse Car Railroad to Newark, cars running every half hour.

Educational Privileges.

Bloomfield was the pioneer township for FREE EDUCATION in this State. We have now s fine a Public School as any in New Jersey—the buildings, Grounds, etc., as well as he conduct of the various departments-High School, Grammar and Primary-are all hat can be desired.

Our Churches

embrace the principal denominations, and all are in a flourishing condition. The moral and social status of the community is of a high order.

Improvements, &c.

The permanent mapping of the town for streets and squares is being effected. The dewalks are being generally flagged or planked. Gas is already introduced. Commoitious and artistic dwellings are being erected. Improvements in opening and grading new streets are being pushed forward, not, in a wholesale, speculative manner, involving 9 heavy taxes, but commensurate with the wants of the community. The local taxes have been lower and will continue to be lower than most of our neighboring townships. 25 | Bloomfield has never been bonded; neither for railway nor any other purposes. Her 25 citizens are enterprising and progressive, but hold to the principle—Pay as you go. There are numerous stores and workshops of various kinds, several first-class manufacories, none of them, however, of a character detrimental to health or morals. It has also

Real Estate,
